Billy Acord — I hate this school because these people here are nothing but conceited backstabbers.

Greg Acord — I was scared the first few weeks but after that I loved it. My four years have been the greatest of my life. I will miss everyone especially my wonderful teachers. They are great, and the vocational teachers, too.

Sandy Acord — I had some fun times in school and now it's gone. "Thank Goodness"

Glen Adkins — The past four years have been hard and trying with some good experiences.

Melissa Belcher — My four years at OHS were like a dark tunnel until my senior year and then, I saw the light.

Carla Bailey — The past four years at OHS will be an experience I will never forget.

Jason Blankenship — My four years at OHS were quite an experience, but overall I'm glad to get out.

Michael Blankenship — I have not liked but maybe one year of four years, but I'm glad it's over. Bye, to all the teachers I have had.

David Bleigh — My four years at OHS have been an adventure I will never forget!!!

Debra Brewster — These past four years have been an experience, where I've learned a lot of lessons I really needed to learn. I'm gonna miss my friends but I'm sorry to say. I won't miss the halls or the steps because, I swear they've grown since last year. Love Ya Guys!!

Amber Brown — My four years at OHS have been great! I've made a lot of special friends who I will never forget. Oh, teachers are great, too. I'll miss every one.

Kristi Brown — My four years at OHS have been unforgettable. My one suggestion that I would leave would be — get involved, be a part of OHS to the fullest extent, and you will feel the love and pride I have for this place ... Thanks OHS! I wouldn't trade my memories for anything!!! To the class of '93 ... Good luck, I Love ya, and I'll never forget ya!! Thanks PF for everything ... I'll miss ya!!

Chasity Browning — My four years at Oceana High School have been the best years of my life, but I'm glad it's over. I have made some wonderful friends who I will remember a lifetime. In all it's been a BLAST!

Chris Canterbury — O.H.S. will stand forever and so will the Class of 93. Remember — 93 RULZ!! It's been great. Catch Ya Later.

Dee, Crys they made it a blast. I love you all. Oh yea Mr. Brenick thanks for trying to keep me out of trouble.

Stephanie Cline — My four years at Oceana High School have been great. It has been fun and interesting. I think it is a great school. There are some bad and good people, but mostly good in my opinion. I will miss it badly because I have had some good times.

David Gallaher — I just wish I could've been here all four years. It's been real!!

QUOTES

somewhat hard to find, until one day when I was able to reach deep into the corners of my mind. Now all I can do is chase the horizons, catch the illusions, and remember the child within because there's no tomorrow just pain and sorrow, so I've got to hold on to my ancient dreams.

Pamela Lusk — I had a great four years here at OHS, and I will never forget my friends and memories that we shared together.

Landon Stafford — C-Ya I'm outta here like last year. I love you, Bridgett B.

Steven Stafford — The past four years at OHS have been the best years of my life. I wouldn't trade them for anything.

Larry Stepp — These years have been the best times of my life. I've had fun, but it's been long.

Denise Taylor — I can truly say I'm glad it's over, but to my closest friends I'm going to miss you all. It's been a BLAST!!!

Catrina Thacker — The pages of history shall return, but from them we live, grow, and learn.

Crystal Tilley — The weekends were great, the gossip was fun; I'm glad it's over, said and done. My friendships I've obtained, I'll have forever; The ties we have may not sever. Good-bye, OHS, It's been a Blast!!! My memories good and bad will always last.

Rickey Tilley — It was all right, but I'm glad it's over.

Lynda Toler — There are many memories held within the halls of OHS. Laughter, tears, and many bondings of friendships. There have been good and bad times and some in between, but within each person they will always be remembered and looked upon just as memories that can't be changed.

Melissa Trent — Well, I'll kind of miss

it, especially my best friend, Amy Foren, and of course, my other close, dear friends. The gossip here at OHS was always HOT. To all of our "friends" — if your ears are burning; we're probably talking about you!!!

Brandi Lester — My four years at Oceana High School have been great, but I'm glad to get out.

Crystal Vanover — My four years at OHS have been great. I have made friends that I will never forget along with memories.

Lela Walker — My four years at Oceana High School have been very eventful. I am thankful for the experiences and the knowledge that I have gained.

Stephen "Quack" Walker — Let's just say I was testing the walls of reality and forgot to lock the door.

Amy G. Walls — My four years at OHS have been filled with good times and opportunities. I will never forget my time here, and I will always treasure my precious memories of OHS!!!

Micheal J. Walls — Sometimes the distance to travel appears longer than it actually is. Some of us were lost along the way, are to be lost, and then some, a special few of us, will complete this privileged experience, life. When dusk's last glimpse of light from beyond a mountain ridge sheds the last of it's warmth upon our back, kissing us good-bye again we will still be secure. We still will have tomorrow's promise of another warmth to our bodies, a new light to show us and continue us in our direction. OHS was not the beginning, but far from the end. Thank you, OHS, for setting us out on the right path. Class of "93", I'll never forget all of the wonderful memories we made together.

Michael Whitten — I made the best at OHS as much as possible. I hope my fellow classmates did the same. It has been fun at OHS, but it is time to move on to better things like college. Thanks, OHS!!

Karri Renee Workman — OHS has been my playground for four memorable years. We have taken the good with the bad and become better prepared for life outside these these halls. The class of "93" will always be part of OHS history.

Heather Toler — To sum it up OHS has been all right. I have shared a lot of good memories and incredible friends. However, I learned a lot of shocking things that awoke me to reality. To the Class of '93 you will always RULE!!! To all my friends I Love ya and wish you the best of luck!!!

The wives of the Democratic candidates, Hillary Clinton and Tipper Gore, were very active in the campaign — Mrs. Clinton, a tough-minded lawyer, and Tipper Gore, a crusader for warning labels on albums with explicit lyrics. Both women were tireless campaigners for the Clinton/Gore ticket.

At noon on January 20, William Jefferson Clinton took the oath of office and became the 42nd president of the United States. As cannons thundered in salute, George Herbert Walker Bush surrendered power and stepped into history.

When Rodney King was stopped by police on a Los Angeles freeway, police say he resisted them and was beaten. Someone videotaped the melee and released the tape to local television stations. It received national attention, and four white officers were charged innocent of any wrong-doing, three days of rioting hits Los Angeles. When it ended, 52 people were dead, 2,383 were injured, 18,807 were arrested, and the amount of property damage was estimated at \$785 million.

Civil War spread across Yugoslavia, a nation of six republics and two provinces that had been plagued for centuries by historic ethnic, religious and economic differences. Nationalist, anti-Communist parties won elections in 1991 in all republics except Serbia, the largest, and Montenegro, the smallest. Then Croatia and its neighbor Slovenia declared their independence. Traditional rivalries were strongest between the 9 million Serbs, who belong to the Orthodox church, and the 5 million Croats, who are Roman Catholic. Tens of thousands of people became refugees and the killing continued.

Hurricane Iniki dealt a direct blow to part of the Hawaiian Islands in September. Winds gusting up to 160 miles per hour and torrential rain hit Kauai Island, causing enormous damage. It was the most powerful hurricane to hit the Hawaiian Islands this century. Twenty-foot waves crashed over coastal highways and the island lost all power and telephone service even before the worst of the storm hit. Oahu, the state's most populated island with 800,000 people, is separated from Kauai by an 80-mile channel and was spared the brunt of the storm.

America needs to recycle, and America also needs to use recycled products. Recycling has produced vast supplies of paper, glass, and other reusable trash, but not enough demand. A business alliance for the National Recycling Coalition is campaigning to encourage small and large businesses to commit themselves to buy recycled products.

The U.S. Marines arrived in Somalia on December 9, 1992. The starving African country was ravaged by famine and widespread looting of food from international relief agencies. The Marines offered a security force to insure safe food distribution.

Hurricane Andrew carved its way through the Bahamas and hit south Florida with a powerhouse intensity before moving into Louisiana. The hurricane's 54-hour rampage, the most expensive natural disaster ever to hit this country, left an estimated 180,000 homeless in Florida alone. It was a harrowing time, as tens of thousands of people tried to evacuate the Miami area and thousands more rode out the storm in shelters and boarded up homes. At least 51 deaths were directly attributed to the storm — 41 in Florida and 10 in Louisiana. The amount of damage was estimated at \$20 billion in Florida and nearly \$2 billion in Louisiana.

Ross Perot made his first million when the computer company he founded began selling stock. His presidential candidacy came to a stop when he abruptly quit the race in July. Then he got back into the race with about five weeks to go before Election Day. As his running mate, he chose James Stockdale, 68, a highly decorated former Navy fighter pilot and POW. Spending millions of dollars of his own money and relying on an army of "volunteers" the Perot campaign was off and running. In it included a spot in the presidential debates that were held in October.

Unemployment was one of the major issues during the 1992 presidential campaign. The unemployment rate had risen from 5.2 percent, when President Bush took office in 1988, to over 7 percent on Election Day, 1992. That meant 9.7 million Americans were out of work. And according to Labor Department projections, there will be 30 percent more college graduates than college level jobs from now until the year 2005.

Bill Clinton stepped into the national spotlight and won the nomination at the Democratic Convention in a hot July week in New York City. Clinton, a former Rhodes Scholar at Oxford University and a graduate of Yale Law School, was governor of Arkansas when he decided to enter the national race. As his running mate, he chose Al Gore, who was elected to the House of Representatives at the age of 28 in his first campaign for public office. He was elected to the Senate in 1984.

Basketball great Larry Bird retired from the Boston Celtics after a 13-year career. "When I played, I played as hard as I could. That's what I want to be remembered for." The 35-year-old Bird was plagued by back problems for the last two seasons of his career. His brilliant passing, pinpoint shooting and rebounding made him the consummate team player.
